

Resource Center Chatter

A Big WELCOME from the RC Staff

Can you believe it's September already. Just where did the summer go? While it seemed to fly by....we here at Knollwood are anxious to begin our year. If you are new to us, WELCOME. If you are a returning family, WE'VE MISSED YOU!

All of us teachers in the Resource Center have been busy this summer. Mrs. Kimlick spent a week in Indiana visiting relatives and going to the Elkhart County 4-H Fair. She saw lots of animals that got ribbons for being the best looking in their category. Her favorite were the Llamas.

Mrs. Galik did some traveling and enjoyed the beaches in Florida and Cancun, Mexico.

Mrs. Hearin was busy getting her oldest son, Thomas off to college at the University of Tennessee. She will need lots of extra hugs this year since she will miss him.

We have many new things planned for the R.C. this year. Don't forget to watch for our 2nd. Annual "Potato Fest".

Our "famous" recycle center will be up and running and will need your assistance in keeping full. Remember we collect just

about anything, except GLASS containers. We ask that you don't bring in anything bigger than a large coffee can. We will also ask for specific items throughout the year to add to our play.

We love to have parent volunteers come and play for the morning. No advance notice necessary,

Be sure to come through the downstairs when your bring your child to school. You can get an advanced "peek" at the fun they will be having when they are with us.

We are excited about the Fun year ahead!

August 2008

Special Points of Interest:

- ☺ This is where we will highlight some of the exciting moments of our day starring your children.
- ☺ We will try to include pictures to show you the fun that's taking place.
- ☺ Art work is always on display in the RC for you to admire.

Items needed for next month:

Here is where we will ask for specific items needed to complete our plans for individual activity centers in the Resource Center. We will be as specific as possible. Remember that your "junk" or as we like to say "recyclables" are our "TREASURES"!

Getting you the News from the RC

This year for the first time we will be getting you the latest news from the RC through this monthly "chatter". We will give you a preview of the upcoming month and try to give you a re-cap of highlights from the previous

month. So many fun things go on in the RC that we feel we need to share this with you the best we can.

We will also be taking lots of pictures to capture these fun moments with your children. We will be sending them home as

often as possible. If you have any questions, please feel free to come in and talk with one of us. We want you to share in everything your child is experiencing with us. As most of you know, we always have a pot of coffee brewing.
